Small School’s Athletics Carnival
Well done to all of our students on their efforts and achievements on the day. Thanks to all of the parents and caregivers who helped out and supported our athletes in all of their activities and for transporting students to and from the venue. Well done to Tobee, Alec, Seth and Bella who were Age Champions on the day.

Congratulations to all of our students on the effort, application and team work that lead to us winning the Aggregate, Handicap, Relay and Ball Games trophies (a clean sweep of all the silverware) on the day.

As a Principal it makes me extremely proud to see our students striving to do their best, supporting each other and being so strongly supported by all of the parents and caregivers who were there on the day. A list of students who have qualified for the Deniliquin District Carnival will be sent home with permission forms as soon as we receive it from Blighty and will be included in next week’s newsletter.
